OFFICE OF PETITIONS

Roger A. Gilcrest, being duly sworn, and having personal knowledge of the facts set forth herein, hereby deposes and says that:

1. I am the attorney who assisted with the preparation and filing of the above application for U.S. patent.
2. This invention was developed by Giorgio Rizzoni, Ahmed Soliman, Pierluigi Pisu, Sanket Amberkar and Brian Murray and these individuals have been named as applicants/inventors in this application.
3. A Declaration and Power of Attorney was prepared for the inventors' signatures. These documents were signed by each of the named inventors except Mr. Rizzoni.
4. It has been determined that Mr. Rizzoni is currently out of the country and attempts to contact Mr. Rizzoni have been unsuccessful.
5. Mr. Rizzoni is expected to return to the United States on or about July 29, 2002. It is applicant's belief and expectation that Mr. Rizzoni will execute these documents shortly after his return to this country and that the forms can then be filed in this application with the United States Patent and Trademark Office.

6. In view of the outstanding Notice to File Missing Parts (attached as Exhibit A), the rights of the other parties in the Patent Application would be lost and/or the priority in the Patent Application would become abandoned unless the attached Petition for Filing By Other Than All the Inventors Under 37 C.F.R. 1.47(a) is granted.
7. A Declaration and Powers of Attorney have been executed by all the other named inventors and are being filed herewith in response to the Notice to File Missing Parts of Nonprovisional Application.

Roger A. Gilcrest

Sworn to before me this 15th day of July, 2002.
